

Langhe, Roero and Monferrato . CUNEO/ASTI

## RURAL LANDSCAPES BETWEEN TRADITION AND INNOVATION

### Linking nature, biocultural landscape and food production in the 'Langhe, Roero and Monferrato vineyards landscape' UNESCO (Piedmont)

One day tour in and around the 'Langhe, Roero and Monferrato vineyards landscape' recognized by UNESCO as Cultural heritage in 2014. Participants will jump in the past, discovering the 'Colline del mare' (Sea hills) - a Paleontological district dating in Pliocene – and visiting the Underground Cathedrals (XIX century) - ancient wine cellars famous worldwide. Then they will visit the universal valued vineyards' landscape discussing on the management plan and future challenges, due to the last plant diseases, low impact cultivation system and increasing touristic pressures.
